Aly craft Aluminium Boat Trailers Queensland is a premier manufacturer of high-quality boat trailers based in Queensland. Renowned for their durability and affordability, these trailers are a long-term investment over conventional galvanised steel options. All Alycraft trailers exceeding 2000 kg AMT come equipped with a standard hydraulic electric brake actuator and breakaway system, ensuring top-tier safety and performance. Unlike steel, aluminium trailers are rust-resistant, and Alycraft further enhances longevity with stainless steel fittings, making maintenance a breeze.
