Personalized Perfect Paint

At Buff Monkey, I am dedicated to providing exceptional service and customized care for every vehicle that enters my shop. With over 30 years of experience, I take great pride in going above and beyond for each and every customer that comes through my doors. Unlike other detailing shops, I do not believe in a one-size-fits-all approach when it comes to vehicles. Each and every one is treated as a unique and individual project with its own set of quirks and characteristics.
