America's Most Affordable Trash Chute

Introducing U-Chute Debris Removal Systems, your premier solution for efficient and cost-effective debris removal! Our reusable trash chute system redefines convenience and durability in construction debris management. Crafted from a robust, woven-coated polypropylene material, each 10-ft section weighs a mere 3 pounds. Our innovative design boasts high-strength nylon strap loops, ensuring swift connections for seamless workflow, whether you're navigating from the dumpster to the rooftop.
