We are a professional skills creative firm with over 30+ years experience. We specialize in all aspects of laying all types of tarmacadam surfacing. Tarmacadam Contractors offer you expert advice on specification, selection, design and source of surfacing materials.

We are fully equipped with modern vehicles and equipment. Our equipment includes Paving Machines, Road Planers, Road Sweepers and Vibrating Rollers, to name but a few. This ensures you receive a top quality job. We have a fully trained experienced workforce to take on any job no matter what specification or environment.

Every job is carried out with the same respect and professionalism as you would expect from a highly skilled team of tarmac contractors.

We also provide affordable deliverable road works and related construction as follow:

Project Type

- Premix
- Line Marking
- Trees, Plants Cleaning
- Grass planting
- General Workers

Top quality surface use Son Highway Enterprise.
