Merchants from the global industry from many country inquiries and begin to sign up for an online directory.

We are giving greater solutions by translating to multiple languages.

You request more languages, we will add the Jobs > Translator > *new language*

3 Phases of translation:

1. Translate the UYP system the web fields, menus, information, and texts.
2. Translate the UYP Information content such as PDF & Email
3. Translate Graphics design slides, banners, and flyers.

Job Title: Translator

Translator Job Purpose

Interprets written or spoken material into one or more other languages, ensures meaning and context are maintained, creates glossaries or term dictionaries, possesses knowledge of multiple languages, works with individual clients and corporations.

Translator Job Duties

- Reads through or listens to material in one language, ascertains understanding of the meaning and context of that material, and converts it into a second language, making sure to preserve the original meaning
- Translates online, video, and television media by providing subtitles
- Consults with subject matter experts and other colleagues in order to understand specialized concepts and translate them appropriately
- Refers to online translation tools for additional assistance with translation
- Provides clients with quotes based on project length and level of complexity
- Follows up with clients to ensure satisfaction and understanding
- Uses highly specialized translation software to encourage efficiency and consistency
- Adheres to industry quality standards established by the Association of Translation Companies to ensure that all completed work follows legal and ethical obligations
- Translates a variety of documents including literary, legal, research, technical, scientific, educational, and commercial materials
- May specialize in a particular industry in which he or she has relevant experience or knowledge, such as medicine, the arts, business, or finance
- Works on a freelance basis or pursues employment with an educational, commercial, or government organization

Translator Skills and Qualifications
