NATURE'S SUPERFOOD ORGANIC ACAI POWDER (90G)

Expiry Date : March 2024

Nature's Superfoods' Acai Berry Powder is made from Acai berry pulp that is freeze-dried (to preserve all nutrients and antioxidants), with no added carriers, preservatives or sugar. Native to the Amazon rainforests of South and Central America, the Acai Berry (pronounced ah-sah-EE) has been a staple of many Amazonian communities for generations. Traditional uses for the nutrient-dense Acai fruit included treatment for diarrhea, parasitic infections, hemorrhages, ulcers and various skin conditions.

ACAI: The Acai Berry contains considerably high anthocyanin antioxidants (higher than blueberries for example) as well as beneficial omega fatty acids (3, 6, 9). It also contains vitamin A & vitamin C and minerals such as calcium, iron, potassium and phosphorus.

An antioxidant-rich diet better protects your body cells from excessive free radical damage which can lead to degenerative chronic diseases, premature ageing, among others.

Botanical name: Euterpe oleracea

Ingredients: 100% Organic Acai Berry Powder (Freeze-Dried)

ORGANIC CERTIFICATIONS: USDA, EU

Produce of Brazil

Storage: Cool & dry place

Health Benefits:

Immunity
