Transform Your Marketing Platform To Whatsapp Now!

Highly useful for Announcement * Event * Invitation and more...

WhatsApp marketing service provider in Malaysia, we can help you to blast your message in text and image to 6 million WhatsApp users across Malaysia.

With our nationwide coverage, we are able to deliver your advertising message to your target audience efficiently and cost-effectively at every corner of Malaysia.

WhatsApp is quickly becoming a powerful tool for businesses to reach our customers in a new way. With over 1 Billion Active Monthly Users and one of the most used apps, businesses need to learn the strategies and take advantage of the next big thing in social media!

Powerful metrics

Boost campaign performance using improved analytics to better understand your customers. Track delivery and read rates to monitor ROI.

Put yourself on the map

Be seen and get discovered. Create a business profile with helpful info for your customers – address, phone number, email – the lot, right there in front of them.

Be compliant

WhatsApp is familiar, but also secure – encrypted and protected. Two-factor authentication comes as standard. Users are genuine, and they know you are too.

Perfect for all

WhatsApp's a giant but that doesn't mean it's just for other giants. Over 80% of SMBs in India and Brazil use WhatsApp business messaging tools to grow their business.

Keep it personal

Improve loyalty, increase engagement, build better relationships and differentiate yourself from the competition by sending rich, personalized messages.

Secure your data

Messages can't be tampered with at any point on their journey, which means you can send sensitive information like boarding passes or account details with confidence.

Make it easy

Integrate WhatsApp business messaging tools into your communications strategy so you can deliver two-way conversations while minimizing customer friction on the path to purchase.
