PROGRAM SYNOPSIS

Habits are the nature of Cosmic Library, Universe Memory. Habits are a redundant set of automatic unconscious thoughts behaviors and emotions acquire through repetition

These are essence practices and became corporate policy and sop for world's successful leading organization including 500 fortune company.

There are known and unknown habits build into the individual system through various mediums such as personal involvement or via just seeing or hearing with contemplating thinking process. Habits building starts from mother's womb and it continue. Habits can express as emotion experience and craft psychosomatic sickness to a level of physical changes known as diseases. Ideally individually must progress energetically, positively, healthier and towards grand elite living standard, It happens easily if greater Habits build within. Together with the current right attitude and good aptitude.

Habits also related to Circadian Rhythm means 24 hours clock base biological body functionality and Intrinsic Muscles means a spot of past motion and urine related organ which anus and ureters. The pineal photoreceptor cells function autonomously with strong rhythmic patterns and known as 3rd eye function as inner vision. Normal eyes give an outer vision of all physically formed matter.

Businesses demanding multiple competency requirements including Critical thinking, Creativity, People management, Teamwork, Emotional intelligence, Judgment and decision-making, Service Orientation, Negotiation, Cognitive flexibility, Conscious Leadership. Individually may require New Goals for Physical, Intellectual, Emotional, Character, Spiritual, Relationships, Romantic, Parenting, Career Business, Financial, Quality of life, Life Vision, Social. New Goals meaning New Process, New Challenges, required New Neuron Pathway for Brain to operate. Brain in nature prefers to operate via SCM and execute existing Habit-related process which it's already familiar and predictable activities and till the results. Why Habits overtakes the New Thinking created for New Goals? Let's learn simple proven process to moderate Habits. Changing Personality is a process to Changes Personal Reality.

5W's and 1H (Who, What, When Where, Why and How?) about Habits will be exposed. A free workbook is given to construct a New Process. You can reorganize Habits relevant to New Goals.
